

**ORLANDO E DIAZ
TORNANO IN ROMA**

L'On. Sonnino Rimpiazzerà il Primo Ministro d'Italia al Concilio dei Cinque

Published and Distributed Under PERMIT No. 34 October 4, 1918, on file at the Postoffice of Philadelphia, Pa.
By order of the President, A. S. HULL, Postmaster-General.

Parigi, 13 giugno.—Il Presidente del Consiglio dei Ministri d'Italia, On. Orlando, ed il Generale Armando Diaz hanno lasciato Parigi la scorsa notte per far ritorno in Roma, convinti che il lavoro dei Cinque Grandi è praticamente completato e che nessun più fondamentale decisione dovrà essere raggiunta per quanto concerne la sistemazione del trattato di pace. (E la questione di Fiume e di tutto il problema Adriatico?—N. D. R.)

Detta azione da parte degli Italiani lascia supporre che la replica degli Alleati alle contro-proposte della Germania, relativamente ai termini del trattato di pace, dovranno essere definitivamente completate prima di sera. Il Ministro d'Italia per gli Affari Esteri, On. Barone Sonnino, rimpiazzerà il Primo Ministro Orlando fino a quando egli tornerà per la formale firma del trattato di pace con la Germania. Si apprende che l'onorevole Orlando sia intenzionato di chiamare una seduta segreta del Parlamento Italiano, allo scopo di presentare ai rappresentanti del popolo italiano un rapporto dettagliato del lavoro compiuto alla Conferenza della Pace.

Nei circoli italiani di qui è stato, oggi, rapportato che il Jugo-Slavi hanno rifiutato di accettare il compromesso sulla questione dell'Adriatico, come era stato preparato dal Colonnello House e da Andrea Tardieu.

Si assicura che l'On. Orlando, prima di lasciare Parigi, abbia scritto al Presidente Wilson, a Lloyd George e Clemenceau domandando che il patto di Londra, stipulato tra l'Italia, la Francia, l'Inghilterra e la Russia nel 1915, abbia completa esecuzione.

Roma, 12 giugno.—Tra il Vice-Presidente del Consiglio dei Ministri, On. Colosimo e gli ambasciatori di Francia ed America ha avuto luogo un importante colloquio durante il quale sembra sia stata discussa la questione relativa alla sistemazione dell'Adriatico.

L'onorevole Colosimo avrebbe chiaramente dichiarato ai due rappresentanti della Francia e America che l'unica soluzione possibile è quella di rendere piena giustizia all'Italia, riconoscendo tutti i diritti sui quali si basano le sue giuste aspirazioni.

Parigi, 13 giugno.—Un completo accordo è stato raggiunto in principio sopra tutte le questioni connesse con la replica da farsi alle controproposte della Germania. L'accordo concernente l'ammissione della Germania nella Lega delle Nazioni è stato preparato da Lord Robert Cecil e dal Colonnello House.

Il Barone Makino, Delegato giapponese, si è ieri aggiunto al Presidente Wilson, a Lloyd George, Clemenceau ed Orlando, nel Concilio dei Quattro, il quale da oggi sarà chiamato il Concilio dei "Cinque Grandi."

L'attitudine dei Delegati della Germania non è chiara e nei circoli francesi si crede che essi non firmeranno il trattato di pace.

FOR INCOME FRAUD**

Baltimore Wholesaler Is Sentenced in Court for Paying Bribes to Federal Agents

Baltimore, Md., June 13.—(By A. P.)—The most important case of falsifying income tax reports that has come under the federal government investigations and criminal prosecutions was recorded yesterday in the United States District Court, when Judge Ross sentenced Samuel W. Wallach, of the big wholesale firm of Goodman, Wallach & Heiger, to serve one year and a half in the federal prison at Atlanta. Wallach was technically charged with

bribery, also in paying federal income tax agents sums of money on several occasions not to molest him when they came to make further investigation upon

his reports. He pleaded guilty to the charges and claimed he was ill and overwhelmed with business and that he gave the men money to go away and let him alone for the time being, as he was

too busy to show them his books. The firm is one of the largest wholesale millinery concerns in the South.

According to the testimony, Wallach failed to turn in proper income tax reports for sums amounting to \$64,000 in the years from 1914 to 1918. Two income tax agents testified to having received between them \$400 from Wallach.

**A new kind of
enjoyment in cigarettes!**

This is the package with the moisture-proof jacket that keeps Chesterfield's original freshness and flavor intact.

New! Because no other cigarette does or can do what Chesterfields do.

Chesterfields do more than please the taste. They go straight to the "smoke-spot." They let you know you're smoking. In a word—they satisfy.

How it's done? With a blend of fine, pure Turkish and Domestic tobaccos—just the right kind and quantity of each.

And the formula for this blend is the manufacturer's secret. Unlike a patent, it cannot be copied or even closely imitated.

That's why no cigarette, except Chesterfields can give you this new kind of cigarette enjoyment.

Say "Chesterfield" to your dealer today.
